

Dear Avril, Annabel & the dream team

Would just like to say a massive thank you for making Hope's dream come true she received her hot tub yesterday.

She and the whole family are going to have so much fun with it and it really is going to help Hope relax and loosen her muscles ect...it really is going to give her so much enjoyment she was so pleased when it come yesterday and was really excited she had to wait for it to be set up, But 10.30 this morning she got to try it out with her brother Shane and it really did put a massive smile on her face she was in it for over an hour listening to the music as it's fitted with a stereo.

Many thanks

Nadine (Hopes mum)

And lots of love and kisses

Hope Xxx
